 - Stream - Physical Science
 - Results - Maths B | Chemistry B | Physics CG.C.E. Ordinary Level (2016)
 - Results - 8 A's and B
- **University of Rajarata** 2020-2021
Diploma in English

PROJECTS

- **Customer Relationship Management System (Team)**
Role : Team Leader and full stack developer
 - Second-year software project for university mentored by 99X.
 - A comprehensive platform designed to strengthen client-company relationships by managing various interactions. It includes user registration, lead creation and management, integrated payment facilities, and seamless communication via email and chat. The platform also features a robust ticketing system and a knowledge hub to enhance customer support and satisfaction.
 - A web application developed using React JS, Microsoft .Net core, and MS SQL Server, with an Azure cloud database for storage. The project utilizes GIT for version control.
- **Personal Portfolio (Individual)**
Role : Full Stack Developer
 - A web application built using React JS, .Net Core.

SOFT SKILLS

- Project Management
- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

VOLUNTEERING

- Shilpasara
Leo Club of University Of
Moratuwa
